ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement for the Securities that we have filed with the Securities and Exchange Commission using a "shelf" registration process. This prospectus provides you with a general description of the Securities. We will provide you with a supplement to this prospectus that will describe the specific terms of the Securities that we will offer. The prospectus supplement may also add, update or change the information contained in this prospectus. Before you invest, you should carefully read this prospectus, the applicable prospectus supplement and the information contained in the documents we refer to in this prospectus under "Where You Can Find More Information."

References in this prospectus to the terms "we," "us" or other similar terms mean Consolidated Edison, Inc., unless the context clearly indicates otherwise. We are also referred to in this prospectus as Con Edison.

You should rely only on the information contained or incorporated by reference in this prospectus and any accompanying prospectus supplement. We have not authorized anyone else to provide you with any different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not making an offer to sell securities in any jurisdiction where the offer or sale is not permitted. The information contained in this prospectus is current only as of the date of this prospectus.

RISK FACTORS

You should carefully consider the risks described below, as well as the other information contained or incorporated by reference in this prospectus before making a decision to invest in our Securities. See "Where You Can Find More Information," below. Our business is influenced by many factors that are difficult to predict, involve uncertainties that may materially affect actual results and are often beyond our control. Risk factors that may affect us and the value of the Securities include:

Our Results of Operations Are Weather Sensitive - Our results of operations can be affected by changes in the weather. Weather conditions directly influence the demand for electricity, gas and steam and can affect the price of energy commodities.

Our Rate Plans Are For Limited Periods - Our utility subsidiaries have rate plans approved by state utility regulators that cover the rates they can charge their customers. Rates charged to customers generally may not be changed during the respective limited terms of the rate plans other than for the recovery of energy costs and limited other exceptions. As a result, these rate plans do not reflect all of the increased construction and other costs that have been experienced since the date the rate plans became effective. The approval of new rate plans or changes to existing rate plans may have a significant effect on our results of operations and financial condition. The current rate plans and any material matters relating to potential rate changes are described in the information incorporated by reference in this prospectus.

Our Ability To Pay Dividends Or Interest Is Subject To Regulatory Restrictions - Our ability to pay dividends or interest on the Securities depends primarily on the dividends and other distributions we receive from our subsidiaries. The dividends that the utility subsidiaries may pay to us are generally limited to not more than 100 percent of their respective income available for dividends calculated on a two-year rolling average basis, with certain exceptions.

We Are Subject To Complex Government Regulations - In addition to regulation of rates, our operations are subject to extensive federal and state regulation that requires numerous permits, approvals and certificates from various federal, state and local governmental agencies. We must also comply with environmental and other laws and regulations. New laws or regulations or the revision or reinterpretation of existing laws or regulations may adversely affect us.

We Are Exposed To Material Liabilities Relating To Hazardous Substances - Hazardous substances, such as asbestos, polychlorinated biphenyls (PCBs) and coal tar, have been used or generated in the course of operations of our utility subsidiaries and are present in facilities and equipment currently or previously owned by them. Our exposure to material liabilities relating to hazardous substances is described in the information incorporated by reference in this prospectus.

We Are Engaged In A Material Legal Proceeding With Northeast Utilities - In 2001, we sued Northeast Utilities to recover damages from their breach of our merger agreement with them and to seek the court's declaration that we had no further obligations under the merger agreement. Northeast Utilities alleges we breached the merger agreement and is pursuing a counter-claim against us for damages in excess of \$1.2 billion. There are also claims by purported classes of Northeast Utilities shareholders seeking damages from us that we believe to be substantially duplicative of those sought by Northeast Utilities. These legal proceedings are described in the information incorporated by reference in this prospectus. Our Unregulated Subsidiaries Are In Evolving Businesses - Our unregulated subsidiaries are in evolving energy-related and telecommunications businesses. These businesses are subject to different risks than our regulated utility subsidiaries. Among other things, compared to the utilities, the demand for our unregulated subsidiaries' products and services is less predictable, the prices for their products and services are more volatile and the value of their assets is more difficult to determine.

Our Pension and OPEB Costs Are Subject to Fluctuation Based on the Performance of the Financial Markets - Our cost to provide pension and other post-employment benefits is subject to fluctuation when actual experience, most notably return on plan assets, varies from assumptions used in actuarial calculations. In recent years, this cost has been negative (resulting in a credit to, and increase in, net income), primarily because of the amortization of previous years' net investment gains on plan assets. However, there were significant net investment losses on plan assets in some recent years that will increase our costs in 2004 and subsequent years. The investment of our plan assets is described in the information incorporated by reference in this prospectus.

Our Financial Statements Reflect the Application of Critical Accounting Policies - The application of our critical accounting policies reflect complex judgments and estimates. These policies, which are described in the information incorporated by reference in this prospectus, include industry specific accounting applicable to regulated public utilities and accounting for pensions and other post-retirement benefits, contingencies, long-lived assets, derivative instruments, goodwill and leases. The adoption of new generally accepted accounting policies or changes to current accounting policies or interpretations of such policies may materially affect our results of operations and financial condition.

Changes In Our Ratings May Have A Negative Impact On Us - Our commercial paper and unsecured debt are rated by Moody's Investors Services, Inc., Standard & Poor's Ratings Services and Fitch, Inc. These ratings impact our cost of funds. Our current ratings are included in the information incorporated by reference in this prospectus.

Our Revenues And Results Of Operations Are Subject To Risks That Are Beyond Our Control - The cost of repairing damage to our operating subsidiaries' facilities and the potential disruption of their operations due to storms, natural disasters, wars, terrorist acts and other catastrophic events may adversely impact our results of operations, financial condition and cash flows. The occurrence or risk of occurrence of future terrorist attacks or related acts of war could also adversely affect the New York or United States economy. A lower level of economic activity could result in a decline in energy consumption, which could adversely affect our revenues and earnings and limit our future growth prospects.

CON EDISON

Con Edison is a holding company that operates only through its subsidiaries. We were incorporated in New York State in 1997.

Our principal subsidiary is Consolidated Edison Company of New York, Inc. ("Con Edison of New York"), a regulated utility that provides electric service to over three million customers and gas service to over one million customers in New York City and Westchester County. It also provides steam service in parts of Manhattan.

We also own Orange and Rockland Utilities, Inc., a regulated utility that, along with its regulated utility subsidiaries, provides electric service in southeastern New York and in adjacent sections of New Jersey and northeastern Pennsylvania, an approximately 1,350 square mile service area.

We have four unregulated subsidiaries: Consolidated Edison Solutions, Inc., a retail energy services company that sells electricity and gas to delivery customers of utilities; Consolidated Edison Energy, Inc., a wholesale energy supply company that enters into financial and commodity instruments as part of its energy trading activities; Consolidated Edison Development, Inc., a company that acquires, develops and operates generating projects; and Con Edison Communications, LLC, a company that builds and operates fiber optic networks to provide wholesale telecommunications services.

Con Edison has no material assets other than the stock of its subsidiaries. Our ability to pay interest on the Debt Securities and dividends on the Preferred Shares and Common Shares is dependent on our receipt of dividends from our subsidiaries or proceeds from the sale by us of additional securities or assets. Our principal subsidiary, Con Edison of New York, is subject to certain restrictions on the dividends that it may pay to us. See Note C to Con Edison's consolidated financial statements in the 2003 Form 10-K.

USE OF PROCEEDS

Unless we inform you otherwise in a supplement to this prospectus, we anticipate using the net proceeds received by us from the sale of the Securities for investment by us in our regulated utility subsidiary, Con Edison of New York, for the funding of its construction expenditures, and for other general corporate purposes, including, repayment of our short-term debt and repurchase, retirement or refinancing of our other debt securities. The following table sets forth Con Edison's ratios of earnings to fixed charges for the periods indicated:

	Year Ended	Decem	ber 31,	
2003	2002	2001	2000	1999
2.7	3.1	3.3	3.0	3.8

The ratio of earnings to fixed charges have been computed based upon net income, income tax, income tax deferred, investment tax credits deferred and fixed charges. Fixed charges include interest on long-term debt and other interest (whether expensed or capitalized) expense, amortization of debt expense, discount and premium, the preferred stock dividend requirement of our subsidiary, Con Edison of New York and a reasonable approximation of the interest component of rentals.

DESCRIPTION OF DEBT SECURITIES

The Debt Securities are to be issued under an indenture (the "Indenture"), dated as of April 1, 2002 between Con Edison and JPMorgan Chase Bank (formerly known as The Chase Manhattan Bank), as Trustee ("Trustee") a copy of which is included as an exhibit to the registration statement of which this prospectus is a part. Con Edison may also enter into one or more additional indentures with other trustees with respect to certain of the Debt Securities. Any such indenture would contain covenants and other provisions similar to those described below. Reference is made to the prospectus supplement regarding any additional indentures under which Debt Securities will be issued.

The Debt Securities will be unsecured general obligations of Con Edison ranking equally and ratably in right of payment with the other unsecured debt securities of Con Edison issued under the Indenture that are not subordinated obligations of Con Edison ("Subordinated Securities"); provided, however, that if so provided in the prospectus supplement relating to a series of Debt Securities, the Debt Securities will be Subordinated Securities.

There is no requirement that future issues of debt securities of Con Edison be issued under the Indenture, and Con Edison will be free to employ other indentures or documentation, containing provisions different from those included in the Indenture or applicable to one or more issues of Debt Securities, in connection with future issues of such other debt securities.

The Indenture does not specifically restrict the ability of Con Edison to engage in transactions which could have the effect of increasing the ratio of debt to equity capitalization of Con Edison or a successor corporation. For example, the Indenture does not limit the amount of indebtedness of Con Edison, the payment of dividends by Con Edison or the acquisition by Con Edison of any of the equity securities of Con Edison or Con Edison of New York. The Indenture also permits Con Edison to merge or consolidate or to transfer its assets, subject to certain conditions (see "Consolidation, Merger and Sale" below). Con Edison must obtain approvals from state and/or federal regulatory bodies to merge or consolidate.

The following summary of the Indenture does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Indenture, including the definitions therein of certain terms.

General: The Indenture provides that the Debt Securities offered and other unsecured debt securities of Con Edison, without limitation as to aggregate principal amount (collectively the "Indenture Securities"), may be issued in one or more series, in each case as authorized from time to time by Con Edison.

Reference is made to the prospectus supplement relating to the Debt Securities offered for any of the following terms not provided herein:

- (1) the title of the Debt Securities;
- (2) the aggregate principal amount of the Debt Securities;
- (3) the percentage of the principal amount representing the price for which the Debt Securities shall be issued;
- (4) the date or dates on which the principal of, and premium, if any, on the Debt Securities shall be payable;
- (5) the rate or rates (which may be fixed or variable) at which the Debt Securities shall bear interest, if any, or the method by which such rate or rates shall be determined;
- (6) if the amount of payments of the principal of, premium, if any, or interest, if any, on the Debt Securities may be determined with reference to an index, formula or other method, the manner in which such amounts shall be determined;
- (7) the date or dates from which any such interest shall accrue, or the method by which such date or dates shall be determined, the dates on which any such interest shall be payable and any record dates therefor;
- (8) the place or places where the principal of, and premium, if any, and interest, if any, on the Debt Securities shall be payable;
- (9) the period or periods, if any, within which, the price or prices at which, and the terms and conditions upon which the Debt Securities may be redeemed, in whole or in part, at the option of Con Edison;
- (10) the obligation, if any, of Con Edison to redeem, purchase or repay the Debt Securities pursuant to any sinking fund or analogous provision or at the option of a holder thereof and the period or periods within which, the price or prices at which, and the terms and conditions upon which the Debt Securities shall be redeemed, purchased or repaid pursuant to such obligation;
- (11) whether the Debt Securities are to be issued in whole or in part in the form of one or more Global Securities and, if so, the identity of the Depositary for such Global Security or Global Securities;

- (12) if other than \$1,000 or an integral multiple thereof, the denominations in which the Debt Securities shall be issued;
- (13) if other than the principal amount thereof, the portion of the principal amount of the Debt Securities payable upon declaration of acceleration of the maturity of the Debt Securities;
- (14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 of the Indenture pertaining to the Debt Securities;
- (15) the provisions, if any, relating to the cancellation and satisfaction of the Indenture with respect to the Debt Securities prior to the maturity thereof pursuant to Sections 12.01 and 12.02 of the Indenture (see "Satisfaction and Discharge of Indenture; Defeasance");
- (16) the terms, if any, upon which Con Edison may elect not to pay interest on an interest payment date;
- (17) the provisions, if any, relating to the subordination of the Debt Securities pursuant to Article 14 of the Indenture (see "Subordination"); and
- (18) any other terms of the Debt Securities not inconsistent with the provisions of the Indenture and not adversely affecting the rights of any other series of Indenture Securities then outstanding. (Section 2.03)

Con Edison may authorize the issuance and provide for the terms of a series of Indenture Securities pursuant to a resolution of its Board of Directors or any duly authorized committee thereof or pursuant to a supplemental indenture. The provisions of the Indenture described above permit Con Edison, in addition to issuing Indenture Securities with terms different from those of Indenture Securities previously issued, to "reopen" a previous issue of a series of Indenture Securities and to issue additional Indenture Securities of such series.

The Indenture Securities will be issued only in registered form without coupons and, unless otherwise provided with respect to a series of Indenture Securities, in denominations of \$1,000 and integral multiples thereof. (Section 2.02) Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities (see "Global Securities"). One or more Global Securities will be issued in a denomination or aggregate denominations equal to the aggregate principal amount of outstanding Indenture Securities of the series to be represented by such Global Security or Global Securities. (Section 2.01) No service charge will be made for any transfer or exchange of Indenture Securities, but Con Edison may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. (Section 2.05)

One or more series of the Indenture Securities may be issued with the same or various maturities at par or at a discount. Debt Securities bearing no interest or interest at a rate which at the time of issuance is below the market rate ("Original Issue Discount Securities") will be sold at a discount (which may be substantial) below their stated principal amount. Federal income tax consequences and other special considerations applicable to any such Original Issue Discount Securities will be described in the prospectus supplement relating thereto.

Subordination: If the prospectus supplement relating to a particular series of Indenture Securities so provides, such securities will be Subordinated Securities and the payment of the principal of, premium, if any, and interest on the Subordinated Securities will be subordinate and junior in right of payment to the prior payment in full of all Senior Indebtedness to the extent set forth in the next paragraph. (Section 14.01)

In the event (a) of any distribution of assets of Con Edison in bankruptcy, reorganization or receivership proceedings, or upon an assignment for the benefit of creditors, or any other marshalling of assets and liabilities of Con Edison, except for a distribution in connection with a consolidation, merger, sale, transfer or lease permitted under the Indenture (see "Consolidation, Merger and Sale"), or (b) the principal of any Senior Indebtedness shall have been declared due and payable by reason of an event of default with respect thereto and such event of default shall not have been rescinded, then the holders of Subordinated Securities will not be entitled to receive or retain any payment, or distribution of assets of Con Edison, in respect of the principal of, premium, if any, and interest on the Subordinated Securities until the holders of all Senior Indebtedness receive payment of the full amount due in respect of the principal of, premium, if any, and interest on the Senior Indebtedness or provision for such payment on the Senior Indebtedness shall have been made. (Section 14.02)

Subject to the payment in full of all Senior Indebtedness, the holders of the Subordinated Securities shall be subrogated to the rights of the holders of the Senior Indebtedness to receive payments or distributions applicable to the Senior Indebtedness until all amounts owing on the Subordinated Securities shall be paid in full. (Section 14.03)

"Senior Indebtedness" means all indebtedness of Con Edison for the repayment of money borrowed (whether or not represented by bonds, debentures, notes or other securities) other than the indebtedness evidenced by the Subordinated Securities and any indebtedness subordinated to, or subordinated on parity with, the Subordinated Securities. Senior Indebtedness does not include customer deposits or other amounts securing obligations of others to Con Edison. (Section 14.01)

The Indenture does not limit the aggregate amount of Senior Indebtedness that Con Edison may issue. As of December 31, 2003, \$7.1 billion of Senior Indebtedness was outstanding, not including as "Senior Indebtedness" approximately \$1 billion of guarantees by Con Edison of certain obligations of its subsidiaries.

Redemption: If the prospectus supplement relating to a particular series of Indenture Securities so provides, such securities will be subject to redemption at the option of Con Edison. Notice of any redemption of Indenture Securities shall be given to the registered holders of such securities not less than 30 days nor more than 60 days prior to the date fixed for redemption. If less than all of a series of Indenture Securities are to be redeemed, the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Indenture Securities of such series or portions thereof to be redeemed. Global Securities: The Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, the Depositary identified in the prospectus supplement relating thereto. Unless and until it is exchanged in whole or in part for Indenture Securities in definitive form, a Global Security may not be transferred except as a whole by the Depositary for such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. (Sections 2.01 and 2.05)

The specific terms of the depositary arrangement with respect to any Indenture Securities of a series will be described in the prospectus supplement relating thereto. Con Edison anticipates that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Global Security, the Depositary for such Global Security will credit, on its book entry registration and transfer system, the respective principal amounts of the Indenture Securities represented by such Global Security to the accounts of institutions that have accounts with such Depositary ("participants"). The accounts to be credited shall be designated by the underwriters through which such Indenture Securities were sold. Ownership of beneficial interests in a Global Security will be limited to participants or persons that may hold interests through participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the Depositary for such Global Security or by participants or persons that hold through participants. The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to transfer beneficial interests in a Global Security.

So long as the Depositary for a Global Security, or its nominee, is the owner of such Global Security, such Depositary or such nominee, as the case may be, will be considered the sole owner or holder of the Indenture Securities represented by such Global Security for all purposes under the Indenture. Except as set forth below, owners of beneficial interests in a Global Security will not be entitled to have Indenture Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of Indenture Securities of such series in definitive form and will not be considered the owners or holders thereof under the Indenture.

Payments of principal of, premium, if any, and interest, if any, on Indenture Securities registered in the name of or held by a Depositary or its nominee will be made to the Depositary or its nominee, as the case may be, as the registered owner of the Global Security representing such Indenture Securities. None of Con Edison, the Trustee or any paying agent for such Indenture Securities will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in a Global Security for such Indenture Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Con Edison expects that the Depositary for Indenture Securities of a series, upon receipt of any payment of principal, premium, if any, or interest, if any, in respect of a Global Security will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of such Depositary. Con Edison also expects that payments by participants to owners of beneficial interests in such Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities registered in "street name," and will be the responsibility of such participants.

If a Depositary for Indenture Securities of a series is at any time unwilling or unable to continue as Depositary and a successor depositary is not appointed by Con Edison within 90 days, Con Edison will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing the Indenture Securities of such series. In addition, Con Edison may at any time and in its sole discretion determine not to have any Indenture Securities of a series represented by one or more Global Securities and, in such event, will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing such Indenture Securities. Further, if Con Edison so specifies with respect to the Indenture Securities of a series, each person specified by the Depositary of the Global Security representing Indenture Securities of such series may, on terms acceptable to Con Edison and the Depositary for such Global Security, receive Indenture Securities of the series in definitive form. In any such instance, each person so specified by the Depositary of the Global Security will be entitled to physical delivery in definitive form of Indenture Securities of the series represented by such Global Security equal in principal amount to such person's beneficial interest in the Global Security.

Payments and Paying Agents: Payment of principal of and premium, if any, on Indenture Securities will be made against surrender of such Indenture Securities at The Bank of New York, 101 Barclay Street, Stock Transfer Division, New York, New York 10286. Unless otherwise indicated in the prospectus supplement, payment of any installment of interest on Indenture Securities will be made to the person in whose name such Indenture Security is registered at the close of business on the record date for such interest. Unless otherwise indicated in the prospectus supplement, payments of such interest will be made at The Bank of New York, or by a check mailed to each holder of an Indenture Security at such holder's registered address.

All moneys paid by Con Edison to a paying agent for the payment of principal of, premium, if any, or interest, if any, on any Indenture Security that remain unclaimed at the end of two years after such principal, premium or interest shall have become due and payable will be repaid to Con Edison and the holder of such Indenture Security entitled to receive such payment will thereafter look only to Con Edison for payment thereof. (Section 12.05) However, any such payment shall be subject to escheat pursuant to state abandoned property laws.

Consolidation, Merger and Sale: The Indenture permits Con Edison, without the consent of the holders of any of the Indenture Securities, to consolidate with or merge into any other corporation or sell, transfer or lease its properties as an entirety or substantially as an entirety to any person, provided that: (i) the Successor is a corporation organized under the laws of the United States of America or any state thereof; (ii) the Successor assumes Con Edison's obligations under the Indenture and the Indenture Securities; (iii) immediately after giving effect to the transaction, no Event of Default (see "Default and Certain Rights on Default") and no event that, after notice or lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and (iv) certain other conditions are met. (Section 11.02) The Indenture does not restrict the merger of another corporation into Con Edison.

Modification of the Indenture: The Indenture contains provisions permitting Con Edison and the Trustee, without the consent of the holders of the Indenture Securities, to establish, among other things, the form and terms of any series of Indenture Securities issuable thereunder by one or more supplemental indentures, and, with the consent of the holders of a majority in aggregate principal amount of the Indenture Securities of any series at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture with respect to Indenture Securities of such series, or modifying in any manner the rights of the holders of the Indenture Securities of such series; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity, or the earlier optional date of maturity, if any, of any Indenture Security of a particular series or reduce the principal amount thereof or the premium thereon, if any, or reduce the rate or extend the time of payment of interest thereon, or make the principal thereof or premium, if any, or interest thereon payable in any coin or currency other than that provided in the Indenture Security, without the consent of the holder of each Indenture Security so affected, or (ii) reduce the principal amount of Indenture Securities of any series, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all Indenture Securities of such series outstanding thereunder. (Sections 10.01 and 10.02)

Default and Certain Rights on Default: The Indenture provides that the Trustee or the holders of 25% or more in aggregate principal amount of Indenture Securities of a series outstanding thereunder may declare the principal of all Indenture Securities of such series to be due and payable immediately, if any Event of Default with respect to such series of Indenture Securities shall occur and be continuing. However, if all defaults with respect to Indenture Securities of such series (other than non-payment of accelerated principal) are cured, the holders of a majority in aggregate principal amount of the Indenture Securities of such series outstanding thereunder may waive the default and rescind the declaration and its consequences. Events of Default with respect to a series of Indenture Securities include (unless specifically deleted in the supplemental indenture or Board Resolution under which such series of Indenture):

- (i) failure to pay interest when due on any Indenture Security of such series, continued for 30 days;
- (ii) failure to pay principal or premium, if any, when due on any Indenture Security of such series;
- (iii) failure to perform any other covenant of Con Edison in the Indenture or the Indenture Securities of such series (other than a covenant included in the Indenture

or the Indenture Securities solely for the benefit of series of Indenture Securities other than such series), continued for 60 days after written notice from the Trustee or the holders of 25% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder;

- (iv) certain events of bankruptcy, insolvency or reorganization; and
- (v) any other Event of Default as may be specified for such series. (Section 6.01)

The Indenture provides that the holders of a majority in aggregate principal amount of the Indenture Securities of any series outstanding thereunder may, subject to certain exceptions, direct the time, method and place of conducting any proceeding for any remedy available to, or exercising any power or trust conferred upon, the Trustee with respect to Indenture Securities of such series and may on behalf of all holders of Indenture Securities of such series waive any past default and its consequences with respect to Indenture Securities of such series, except a default in the payment of the principal of or premium, if any, or interest on any of the Indenture Securities of such series. (Section 6.06)

Holders of Indenture Securities of any series may not institute any proceeding to enforce the Indenture unless the Trustee thereunder shall have refused or neglected to act for 60 days after a request and offer of satisfactory indemnity by the holders of 25% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder, but the right of any holder of Indenture Securities of any series to enforce payment of principal of or premium, if any, or interest on the holder's Indenture Securities when due shall not be impaired. (Section 6.04)

The Trustee is required to give the holders of Indenture Securities of any series notice of defaults with respect to such series (Events of Default summarized above, exclusive of any grace period and irrespective of any requirement that notice of default be given) as to which it has received written notice within 90 days after the happening thereof, unless cured before the giving of such notice, but, except for defaults in payments of principal of, premium, if any, or interest on the Indenture Securities of such series, the Trustee may withhold notice if and so long as it determines in good faith that the withholding of such notice is in the interests of such holders. (Section 6.07)

Con Edison is required to deliver to the Trustee each year an Officers' Certificate stating whether such officers have obtained knowledge of any default by Con Edison in the performance of certain covenants and, if so, specifying the nature thereof. (Section 4.06)

Concerning the Trustee: The Indenture provides that the Trustee shall, prior to the occurrence of any Event of Default with respect to the Indenture Securities of any series and after the curing or waiving of all Events of Default with respect to such series which have occurred, perform only such duties as are specifically set forth in the Indenture and no implied covenants or obligations shall be read into the Indenture against the Trustee. During the existence of any Event of Default with respect to the Indenture Securities of any series, the Trustee shall exercise such of the rights and powers vested in it under the Indenture with respect to such series and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. (Section 7.01)

The Trustee may acquire and hold Indenture Securities and, subject to certain conditions, otherwise deal with Con Edison as if it were not Trustee under the Indenture. (Section 7.04)

JPMorgan Chase Bank, which is the Trustee under the Indenture, is a participating bank under Con Edison's revolving credit agreements, and is a depository for funds and performs other services for, and transacts other banking business with, Con Edison in the normal course of business.

Satisfaction and Discharge of Indenture; Defeasance: The Indenture may be discharged upon payment of the principal of, premium, if any, and interest on all the Indenture Securities and all other sums due under the Indenture. In addition, the Indenture provides that if, at any time after the date of the Indenture, Con Edison, if so permitted with respect to Indenture Securities of a particular series, shall deposit with the Trustee, in trust for the benefit of the holders thereof, (i) funds sufficient to pay, or (ii) such amount of obligations issued or guaranteed by the United States of America as will, or will together with the income thereon without consideration of any reinvestment thereof, be sufficient to pay all sums due for principal of, premium, if any, and interest on the Indenture Securities of such series, as they shall become due from time to time, and certain other conditions are met, the Trustee shall cancel and satisfy the Indenture with respect to such series to the extent provided therein. (Sections 12.01 and 12.02) The prospectus supplement describing the Indenture Securities of such series will more fully describe the provisions, if any, relating to such cancellation and satisfaction of the Indenture with respect to such series.

Reports Furnished Securityholders: Con Edison will furnish the holders of Indenture Securities copies of all annual financial reports distributed to its stockholders generally as soon as practicable after the mailing of such material to the stockholders. (Section 4.07)

DESCRIPTION OF PREFERRED SHARES

Con Edison's authorized capital stock includes 6,000,000 Preferred Shares, of which no shares have been issued. Con Edison's Board of Directors is authorized from time to time to issue the Preferred Shares as Preferred Shares of any series and, in connection with the creation of each such series, to fix by the resolution or resolutions providing for the issuance thereof the number of shares of such series and the designations, relative rights, preferences and limitations (including dividend, liquidation and voting rights, preferences and limitations) of such series to the full extent permitted by the law of the State of New York, except that holders of the Preferred Shares shall not be entitled to more than one vote for each Preferred Share held. Reference is made to the prospectus supplement relating to the series of Preferred Shares offered for the number of shares, designations, relative rights, preferences and limitations of such series.

DESCRIPTION OF COMMON SHARES

Con Edison's authorized capital stock consists of 500,000,000 Common Shares, of which 226,796,139 shares were issued and outstanding as of March 29, 2003, and the Preferred Shares discussed above under "Description of Preferred Shares."

The following description of the Common Shares does not purport to be complete and is subject to, and qualified in its entirety by reference to Con Edison's Restated Certificate of Incorporation.

Dividends. Subject to any prior rights of Preferred Shares (if any should become outstanding), Common Shares are entitled to dividends when, as and if declared by Con Edison's Board of Directors, and Con Edison may purchase or otherwise acquire outstanding Common Shares out of funds legally available therefor.

Liquidation Rights. Subject to any prior rights of Preferred Shares (if any should become outstanding), upon liquidation of Con Edison, any remaining net assets of Con Edison are distributable pro rata to the holders of Common Shares.

Voting Rights. Holders of Common Shares are entitled to one vote for each share. There are no cumulative voting rights. Holders of Preferred Shares shall have no voting rights unless, in connection with the issuance of Preferred Shares, Con Edison's Board of Directors provides voting rights (in which event the voting rights shall not be more than one vote for each Preferred Share held) or unless otherwise required by law.

No Preemptive Rights. Holders of the Common Shares are not entitled to preemptive rights.

Transfer Agent and Registrar. The transfer agent and registrar for the Common Shares is The Bank of New York Investor Relations Department, P.O. Box 11258, Church Street Station, New York, NY 10286-1258.

Certain provisions of Con Edison's Restated Certificate of Incorporation and by-laws and New York law may have the effect of encouraging persons considering unsolicited tender offers or unilateral takeover proposals for Con Edison to negotiate with the Board of Directors and could thereby have an effect of delaying, deferring or preventing a change in control of Con Edison. These provisions include:

Authorized But Unissued Shares. As of March 29, 2003, 249,993,161 Common Shares and 6,000,000 Preferred Shares were authorized but unissued and 23,210,700 shares were held by Con Edison or Con Edison of New York as treasury shares. Such shares could be issued without stockholder approval in transactions that might prevent or render more difficult or costly the completion of a takeover transaction. In this regard, Con Edison's Restated Certificate of Incorporation grants the Board of Directors, broad corporate power to establish the rights and preferences of preferred stock, one or more classes or series of which could be issued which would entitle holders to exercise rights which could have the effect of impeding a takeover, including rights to convert or exchange the stock into Common Shares or other securities or to demand redemption of the stock at a specified price under prescribed circumstances related to a change of control.

Advance Notice By-law. Under Con Edison's by-laws, written notice of any proposal to be presented by any stockholder or any person to be nominated by any stockholder for election as a director must be received by Con Edison's Secretary at Con Edison's principal executive offices not less than 70 nor more than 90 days prior to the anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting as first publicly announced or disclosed (in a public filing or otherwise) is less than 80 days prior to the date of the meeting, such notice shall be given not more than ten days after such date is first so announced or disclosed.

Section 912. Con Edison is subject to Section 912 of the New York Business Corporation Law. Accordingly, Con Edison may not engage in a business combination, such as a merger, consolidation, recapitalization, asset sale or disposition of stock, with any "interested shareholder" for a period of five years from the date that the interested shareholder first became an interested shareholder unless:

- o the business combination, or the acquisition of stock that resulted in the interested shareholder first becoming an interested shareholder, was approved by Con Edison's Board of Directors prior to the interested shareholder becoming an interested shareholder;
- o the business combination is approved by the disinterested shareholders at a meeting of Con Edison's shareholders called no earlier than five years after the date that the interested shareholder first became an interested shareholder; or
- o the business combination meets certain "fair price" valuation requirements.

An "interested shareholder" is any person that is the beneficial owner of 20% or more of the outstanding voting stock of Con Edison or is an affiliate or associate of Con Edison that at any time during the prior five years was the beneficial owner, directly or indirectly, of 20% or more of the then outstanding voting stock of Con Edison.

PLAN OF DISTRIBUTION

Con Edison will offer the Securities through one or more underwriters. The names of the managing underwriter or underwriters and any other underwriters, and the terms of the transaction, including compensation of the underwriters and dealers, if any, will be set forth in the prospectus supplement relating to the offering of the Securities. Only underwriters named in a prospectus supplement will be deemed to be underwriters in connection with the Securities described therein. Firms not so named will have no direct or indirect participation in the underwriting of such Securities, although such a firm may participate in the distribution of such Securities under circumstances entitling it to a dealer's commission. It is anticipated that any underwriting agreement pertaining to any Securities will (1) entitle the underwriters to indemnification by Con Edison against certain civil liabilities under the Securities Act of 1933, as amended, or to contribution for payments the underwriters may be required to make in respect thereof, (2) provide that the obligations of the underwriters will be subject to certain conditions precedent, and (3) provide that the underwriters generally will be obligated to purchase all such Securities if any are purchased. The underwriters or affiliated companies may engage in transactions with, or perform services for, Con Edison and its affiliates in the ordinary course of business.

In connection with an offering made hereby, the underwriters may purchase and sell the Securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover short positions created by the underwriters in connection with an offering. Stabilizing transactions consist of certain bids or purchases for the purpose of preventing or delaying a decline in the market price of the Securities, and short positions created by the underwriters involve the sale by the underwriters of more Securities than they are required to purchase from Con Edison. The underwriters also may impose a penalty bid, whereby selling concessions allowed to broker-dealers in respect of the Securities sold in the offering may be reclaimed by the underwriters if such Securities are repurchased by the underwriters in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the Securities, which may be higher than the price that might otherwise prevail in the open market; and these activities, if commenced, may be discontinued at any time. These transactions may be affected in the over-the-counter market or otherwise.

The anticipated date of delivery of the Securities will be as set forth in the prospectus supplement relating to the offering of the Securities.

LEGAL MATTERS

The validity of the Securities and certain other related legal matters will be passed upon for Con Edison by Peter A. Irwin, Esq., Vice President - Legal Services of Con Edison's principal subsidiary, Con Edison of New York, acting as counsel for Con Edison. Certain legal matters in connection with the Securities will be passed upon for the underwriters by Dewey Ballantine LLP, 1301 Avenue of the Americas, New York, New York 10019-6092. Dewey Ballantine LLP has from time to time performed legal services for affiliates of Con Edison.

Item 15. Indemnification of Directors and Officers.

Reference is made to Sections 721 to 725 of the New York Business Corporation Law ("NYBCL") which provide for indemnification of directors and officers, subject to certain limitations, for liabilities and expenses in connection with actions or proceedings involving them in such capacity. Pursuant to Section 721 of the NYBCL, no indemnification shall be made to or on behalf of a director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his or her acts were committed in bad faith or were the results of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. Section 402(b) of the NYBCL permits a certificate of incorporation to set forth a provision limiting or eliminating the personal liability of directors to a corporation or its shareholders for damages for any breach of duty in such capacity, provided that no such provision shall eliminate or limit the liability of a director (i) if a judgment or other final adjudication adverse to him or her establishes that his or her acts were in bad faith or involved intentional misconduct or a knowing violation of law or (ii) that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled, or (iii) in certain other cases specified in Section 719 of the NYBCL.

Article SIXTH of Registrant's Restated Certificate of Incorporation provides that, except to the extent limitation of liability or indemnification is not permitted by applicable law: (i) a director or officer of the Registrant shall not be liable to the Registrant or any of its shareholders for damages for any breach of duty in such capacity, and (ii) the Registrant shall fully indemnify any person made, or threatened to be made a party to an action or proceeding, whether civil or criminal, including an investigative, administrative or legislative proceeding, and including an action by or in the right of the Registrant or any other enterprise, by reason of the fact that the person is or was a director or officer of the Registrant, or is or was serving at the request of the Registrant any other enterprise as a director, officer or in any other capacity, against any and all damages incurred as a result of or in connection with such action or proceeding or any appeal thereof and, except in the case of an action or proceeding specifically approved by the Board of Directors of the Registrant, the Registrant shall pay expenses incurred by or on behalf of such person in defending such action or proceeding or any appeal thereof in advance of the final disposition thereof promptly upon receipt by the Registrant, from time to time, of a written demand of the person for the advancement, together with an undertaking by or on behalf of the person to repay any expenses so advanced to the extent that the person is ultimately found not to be entitled to indemnification for the expenses.

As permitted by Section 726 of the NYBCL, Registrant has insurance (a) to indemnify Registrant for obligations it incurs for indemnification of its directors and officers, and (b) to indemnify directors and officers of Registrant for losses, costs and expenses incurred by them in actions brought against them in connection with their acts as directors or officers for which they are not indemnified by Registrant. Pursuant to Section 726 of the NYBCL, no insurance payment, other than cost of defense, may be made to any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his or her acts of active and deliberate dishonesty were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. Registrant may also purchase insurance coverage insuring the directors and officers of Registrant against certain liabilities that could arise in connection with administration of Registrant's employee benefit plans.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "Act"), may be permitted to directors, officers and controlling persons of Registrant pursuant to the foregoing provisions, or otherwise, Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Registrant of expenses incurred or paid by a director, officer or controlling person of Registrant in the successful defense of any action, suit or proceeding) is asserted against Registrant by such director, officer or controlling person in connection with the securities being registered, Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Section 7 of Registrant's Underwriting Agreement Basic Provisions (Exhibit 1.2 to this Registration Statement) provides for indemnification of the Registrant's directors and officers who signed the Registration Statement by the underwriters against certain liabilities which might arise under the Act or otherwise from certain written information furnished to Registrant by or on behalf of the underwriters.

Item 16. List of Exhibits.

See "Index to Exhibits" on page II- 6.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) See the penultimate paragraph of Item 15.

Pursuant to the requirements of the Securities Act of 1933, Registrant certifies that it has reasonable grounds to believe that it meets all the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York and State of New York on the 5th day of April, 2004.

UNDERWRITING AGREEMENT BASIC PROVISIONS

April 5, 2004

Consolidated Edison, Inc. (the "Company") may from time to time enter into one or more underwriting agreements that provide for the sale of certain of its securities. The basic provisions set forth herein may be incorporated by reference in any such underwriting agreement relating to a particular issue of securities designated therein (as so designated "Designated Securities") (an "Underwriting Agreement"). The Underwriting Agreement, including the provisions incorporated therein by reference, is herein referred to as "this Agreement." Unless otherwise defined herein, terms defined in the Underwriting Agreement are used herein as defined therein.

The terms and rights of any particular issue of Designated Securities shall be as specified in the Underwriting Agreement relating thereto and (i) if the Designated Securities are equity securities, in or pursuant to the provisions of the Company's Certificate of Incorporation, as amended (the "Certificate of Incorporation"), or (ii) if the Designated Securities are debt securities, in or pursuant to the indenture (the "Indenture") identified in the Underwriting Agreement. An Underwriting Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted.

1. The Company represents and warrants to, and agrees with, each of the Underwriters that:

(a) A registration statement in respect of the Designated Securities has been filed with the Securities and Exchange Commission (the "Commission"); the registration statement has been declared effective by the Commission; and no stop order suspending the effectiveness of the registration statement has been issued and no proceeding for that purpose has been initiated or threatened by the Commission. The Company proposes to file pursuant to Rule 424 under the Securities Act of 1933 (the "Act") a prospectus supplement specifically relating to the Designated Securities and has previously advised the Underwriters of all information to be set forth therein. The term "Registration Statement" means the registration statement as amended to the date of this Agreement. The term "Basic Prospectus" means the prospectus included in the Registration Statement. The term "Prospectus" means the Basic Prospectus together with the prospectus supplement specifically relating to the Designated Securities, as first filed with the Commission pursuant to Rule 424. The term "Preliminary Prospectus" means a preliminary prospectus supplement specifically relating to the Designated Securities together with the Basic Prospectus. As used herein, the terms "Registration Statement", "Basic Prospectus", "Prospectus" and "Preliminary Prospectus" shall include in each case the material, if any, incorporated by reference therein.

(b) The documents incorporated by reference in the Prospectus, when they were filed with the Commission, conformed in all material respects to the requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission thereunder, and none of the documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus, when said further documents are filed with the Commission, will conform in all material respects to the requirements of the Exchange Act and the rules and regulations of the Commission

thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Registration Statement and the Prospectus conform, and any amendments or supplements thereto will conform, in all material respects to the requirements of the Act and, if the Designated Securities are debt securities, the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission under the Act and, if applicable, the Trust Indenture Act; and the Registration Statement and the Prospectus do not and will not, as of the applicable effective date as to the Registration Statement and any amendment thereto and as of the applicable filing date as to the Prospectus and any amendment or supplement thereto, and the Prospectus, as it may be amended or supplemented pursuant to Section 4 hereof, as of the Time of Delivery (as defined in Section 3) will not, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to: (i) any statements or omissions made in reliance upon and in conformity with any information specified in the Underwriting Agreement as furnished by or on behalf of the Underwriters for use in the Prospectus for the Designated Securities ("Underwriter Information"), and, if the Designated Securities are debt securities, (ii) any Form T-1 Statement of Eligibility and Qualification included as an exhibit to the Registration Statement.

(d) Except as set forth or contemplated in the Prospectus, since the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any material adverse change, on a consolidated basis, in the capital stock, short-term debt or long-term debt of the Company, or in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries taken as a whole (a "Material Adverse Effect").

(e) The Company has been duly formed and is validly existing and in good standing under the laws of the State of New York. The Company has full power and authority to conduct its business and, except as described in the Registration Statement and Prospectus, possesses all material licenses and approvals necessary for the conduct of its business.

(f) The Company has an authorized capitalization as set forth in the Prospectus, and all of the issued shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable; and except as set forth or contemplated in the Prospectus, there are no outstanding rights (including, without limitation, pre-emptive rights), warrants or options to acquire, or instruments convertible into or exchangeable for, any shares of capital stock or other equity interest in the Company, or any contract, commitment, agreement, understanding or arrangement of any kind relating to the issuance of any capital stock of the Company, any such convertible or exchangeable securities or any such rights, warrants or options.

(g) This Agreement has been duly authorized, executed and delivered by the Company and constitutes the valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles, and except as rights of indemnification and contribution hereunder may be limited by law or principles of public policy.

(h) If the Designated Securities are debt securities, the Indenture has been duly authorized by the Company and qualified under the Trust Indenture Act and, at the Time of Delivery (as defined in Section 3 hereof), will constitute a valid and legally binding instrument, enforceable in

accordance with its terms, subject as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or effecting creditors' rights and to general equity principles.

(i) If the Designated Securities are debt securities, the Designated Securities have been duly authorized, and when executed by the Company, authenticated in accordance with the Indenture and issued and delivered pursuant to this Agreement, will constitute valid and legally binding obligations of the Company entitled to the benefits of the Indenture, enforceable in accordance with their terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles. The Designated Securities and the Indenture conform to the descriptions thereof in the Prospectus.

(j) If the Designated Securities are equity securities, the Designated Securities have been duly authorized, and, when delivered to and paid for by the Underwriters in accordance with the terms of this Agreement, will have been duly issued and will be fully paid and non-assessable and will conform to the descriptions thereof in the Prospectus.

(k) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture (if applicable), and this Agreement and the consummation of the transaction herein and therein contemplated, will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, any statute, any agreement or instrument to which the Company is a party or by which it is bound or to which any of the property of the Company is subject, the Certificate of Incorporation or the Company's by-laws, or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its properties. No consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the other transactions contemplated by this Agreement or the Indenture (if applicable) except such as have been, or will have been prior to the Time of Delivery, obtained under the Act, and the Trust Indenture Act (if applicable) and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters.

(1) Other than as set forth or contemplated in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party, or of which any property of the Company or any of its subsidiaries is the subject which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries taken as a whole; and, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

(m) The consolidated financial statements of the Company and its subsidiaries set forth in the Registration and Prospectus fairly present the financial condition of the Company and its subsidiaries as of the dates indicated and the results of operations and changes in cash flows for the periods therein specified in conformity with generally accepted accounting principles consistently applied throughout the periods involved (except as otherwise stated therein).

(n) Each "significant subsidiary" of the Company (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the 1933 Act) (each, a "Subsidiary" and, collectively, the "Subsidiaries") has been duly organized and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or be in good standing would not result in a Material Adverse Effect. Except as otherwise stated in the Registration Statement and the Prospectus, all of the issued and outstanding capital stock of each Subsidiary has been duly authorized and is validly issued, fully paid and non-assessable and is owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity. None of the outstanding shares of capital stock of any Subsidiary was issued in violation of preemptive or other similar rights of any securityholder of such Subsidiary.

2. Upon the execution of the Underwriting Agreement applicable to any Designated Securities, the several Underwriters propose to offer such Designated Securities for sale upon the terms and conditions set forth in the Prospectus.

3. If (i) the Designated Securities are debt securities, one or more Global Securities (as defined in the Indenture specified in the Underwriting Agreement) for the Designated Securities in the aggregate principal amount of the Designated Securities shall be registered in the name of Cede & Co. and delivered to The Depository Trust Company with instructions to credit the Designated Securities to the account of, or as otherwise instructed by, the Representative, or (ii) the Designated Securities are equity securities, the Designated Securities to be purchased by each Underwriter pursuant to the Underwriting Agreement, in such authorized number of shares and registered in such names as the Representative may request upon at least 48 hours' prior notice to the Company shall be delivered by or on behalf of the Company to or as directed by the Representative for the account of such Underwriter, against payment of the purchase price therefore in the amount, the funds and manner specified in the Underwriting Agreement, at the place, time and date specified in the Underwriting Agreement or at such other place, time and date as the Representative and the Company may agree in writing, said time and date being herein referred to as the "Time of Delivery" for said Designated Securities.

4. The Company agrees with each of the Underwriters of the Designated Securities:

(a) To prepare the Prospectus specifically relating to the Designated Securities in a form approved by the Representative and to file the Prospectus pursuant to Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the date of this Agreement; after the date of this Agreement and prior to the Time of Delivery for the Designated Securities, to make no amendment or supplement to the Registration Statement or Prospectus to which the Representative shall reasonably object in writing promptly after reasonable notice thereof; to file timely all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required in connection with the offering or sale of the Designated Securities, and during the same period to advise the Representative, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Prospectus or any amended Prospectus has been filed, or mailed for filing, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Designated Securities, of the suspension of the qualification of the Designated Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Designated Securities or suspending any such qualification, to use promptly the Company's best efforts to obtain its withdrawal;

(b) Promptly from time to time to take such action as the Representative may reasonably request to qualify the Designated Securities for offering and sale under the securities laws of such jurisdictions as the Representative may request and to comply with those laws so as to permit the continuance of sales and dealings therein in those jurisdictions for as long as may be necessary to complete the distribution of the Designated Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction;

(c) To deliver to the Representative three signed or certified copies of the Registration Statement, and each amendment thereto, including exhibits thereto and documents incorporated by reference therein, and to furnish to the Underwriters copies of the Prospectus, and each amendment or supplement thereto, in such quantities as the Representative may from time to time reasonably request, and, if the delivery of a prospectus is required at any time in connection with the offering or sale of the Designated Securities and if at that time any event shall have occurred as a result of which the Prospectus would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when the Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during the same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act or the Exchange Act, to notify the Representative and upon its request to file the document and to prepare and furnish without charge to the Underwriters and to any dealer in securities as many copies as the Representative may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus that will correct the statement or omission or effect compliance;

(d) To make generally available to the Company's securityholders as soon as practicable, but in any event not later than eighteen months after the effective date of the Registration Statement, an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158); and

(e) During the period beginning on the date of this Agreement and continuing to and including the earlier of (i) the termination of trading restrictions for the Designated Securities, as notified to the Company by the Representative, or (ii) the Time of Delivery for the Designated Securities, not to directly or indirectly offer, sell, contract to sell, grant any option for the sale of or otherwise dispose of any securities of the Company that are substantially similar to the Designated Securities, without the prior written consent of the Representative, other than securities issued (i) upon conversions of the Company's outstanding securities in accordance with their terms, or (ii) in connection with the Company's employee stock or dividend reinvestment plans.

(f) The Company will use the net proceeds received from the sale of the Designated Securities in the manner specified in the Prospectus under "Use of Proceeds".

5. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's accountants in connection with the registration of the Designated Securities under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, any preliminary prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of typing, printing or producing this Agreement, any Indenture, any Blue Sky and legal investment memoranda and any other documents in connection with the offering, purchase, sale and delivery of the Designated Securities; (iii) all expenses in connection with the qualification of the Designated Securities for offering and sale under state securities laws as provided in Section 4(b) hereof, including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky and any legal investment survey; (iv) any fees charged by securities rating services for rating the Designated Securities; (v) the cost of preparing the Designated Securities; (vi) all expenses in connection with the listing of the Designated Securities on any stock exchange or with the National Association of Securities Dealers Automated Quotation System; and (vii) all other costs and expenses incident to the performance of the Company's obligations hereunder that are not otherwise specifically provided for in this Section 5. It is understood, however, that, except as provided in this Section 5, or in Section 7 and Section 11 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Designated Securities by them, and any advertising expenses connected with any offers they may make.

6. The obligations of the Underwriters under this Agreement shall be subject, in the discretion of the Underwriters, to the condition that all representations and warranties and other statements of the Company herein are, at and as of the Time of Delivery for the Designated Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for filing by the rules and regulations under the Act and in accordance with Section 4(a) hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been instituted or threatened by the Commission; and all requests for additional information on the part of the Commission since the date on which the Registration Statement became effective shall have been complied with to the reasonable satisfaction of the Representative.

> (b) Dewey Ballantine LLP, counsel for the Underwriters, shall have furnished to the Underwriters such opinion or opinions, dated the Time of Delivery for the Designated Securities, with respect to the Designated Securities, the Registration Statement, the Prospectus and such other related matters as the Representative may reasonably request.

(c) Legal counsel for the Company shall have furnished to the Underwriters a written opinion, dated the Time of Delivery for the Designated Securities, in form and substance satisfactory to the Representative, to the effect that:

(i) The Company has been duly formed and is validly existing and in good standing under the laws of the State of New York and has full power and authority to conduct its business and, except as described in the Registration Statement or in the Prospectus as then amended or supplemented, to the best of his knowledge possesses all material licenses and approvals necessary for the conduct of its business;

(ii) The Company has authorized equity capitalization as set forth, or incorporated by reference, in the Prospectus;

(iii)This Agreement has been duly authorized, executed and delivered by the Company;

(iv) If the Designated Securities are debt securities, the Indenture has been duly authorized, executed and delivered by the Company and qualified under the Trust Indenture Act and constitutes a valid and legally binding instrument, enforceable against the Company in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles;

(v) If the Designated Securities are debt securities, the Designated Securities have been duly authorized, executed, issued and delivered by the Company, and assuming due authentication in accordance with the Indenture, constitute valid and legally binding obligations of the Company entitled to the benefits of the Indenture and enforceable in accordance with their terms, subject as to enforcement to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles;

(vi) If the Designated Securities are equity securities, the Designated Securities have been duly authorized, and, when delivered to and paid for by the Underwriters in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable and will not be subject to preemptive or other similar rights of any shareholder of the Company;

(vii) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture (if applicable) and this Agreement and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, any statute, agreement or instrument known to him to which the Company is a party or by which it is bound or to which any of the property of the Company is subject, the Certificate of Incorporation or the Company's by-laws, or any order, rule or regulation known to him of any court, governmental agency or body having jurisdiction over the Company or any of its properties;

(viii) No consent, approval, authorization, order, registration or qualification of or with any court, governmental agency or body is required for the issue and sale by the Company of the Designated Securities or the consummation by the Company of the other transactions contemplated by this Agreement or the Indenture (if applicable), except such as have been obtained under the Act, the Trust Indenture Act (if applicable) and such consents, approvals, authorizations, registrations or qualifications, as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters;

(ix) The Registration Statement (exclusive of any Form T-1, as to which he need express no opinion or belief) and the Prospectus (other than the financial statements and related schedules therein, as to which he need express no opinion or belief) comply as to form in all material respects with the requirements of the Act and the rules and regulations thereunder; and the documents incorporated by reference in the Prospectus at the Time of Delivery (other than the financial statements and related schedules therein, as to which he need express no opinion or belief) when they were filed with the Commission, complied as to form in all material respects with the requirements of the Exchange Act and the rules and regulations thereunder;

(x) He has no reason to believe that (A) the Registration Statement as of the time it became effective contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or (B) the Prospectus as of the date thereof contained, or as of the Time of Delivery contains, an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; and

(xi) The statements contained in the Prospectus as amended or supplemented under the captions specified in the Underwriting Agreement, insofar as said statements constitute a summary of the documents referred to therein, are accurate and fairly present the information required to be shown; to the best of his knowledge, there are no legal or governmental proceedings pending, or contemplated by governmental authorities, to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, in any such case, are required by the Act or the Exchange Act or the rules and regulations thereunder to be described in the Prospectus or the documents incorporated by reference therein that are not described as so required; and he does not know of any contracts or documents of a character required to be described in the Registration Statement or Prospectus (or required to be filed under the Exchange Act if upon filing they would be incorporated, in whole or in part, by reference therein) or to be filed as exhibits to the Registration Statement that are not described and filed as required;

(xii) The Company is exempt from the provisions of the Public Utility Holding Company Act of 1935 except Section 9(a)(2) thereof;

(xiii) Each Subsidiary has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or be in good standing would not result in a Material Adverse Effect. Except as otherwise described in the Prospectus, all of the issued and outstanding capital stock of each Subsidiary has been duly authorized and is validly issued, fully paid and non-assessable and, to the best of our knowledge, is owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity. None of the outstanding shares of capital stock of any Subsidiary was issued in violation of preemptive or other similar rights of any securityholder of such Subsidiary;

In rendering such opinion, such counsel may rely as to matters of fact (but not as to legal conclusions), to the extent they deem proper, on certificates of responsible officers of the Company and public officials."

(d) At 10:00 a.m., New York City time, representatives of the Underwriters shall have received at the Time of Delivery a letter from PricewaterhouseCoopers LLP, dated the Time of Delivery, substantially in the form theretofore supplied to and deemed satisfactory by the Representative;

(e) Since the respective dates as of which information is given in the Prospectus there shall not have been any material adverse change in the capital stock or long-term debt of the Company, or in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries (taken as a whole), other than as set forth or contemplated in the Prospectus as of the date of this Agreement, the effect of which in the judgment of the Representative makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus;

(f) Subsequent to the date of this Agreement, (i) no downgrading or withdrawal shall have occurred in the rating accorded any securities of the Company or Consolidated Edison Company of New York, Inc. by Moody's Investors Service Inc., Standard & Poor's Ratings Group or Fitch Investor Services, and (ii) neither Moody's Investors Service Inc., Standard & Poor's Rating Group nor Fitch Investor Services shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any securities of the Company or Consolidated Edison Company of New York, Inc.;

(g) Subsequent to the date of this Agreement there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally or the Company's securities on the New York Stock Exchange; (ii) a general moratorium on commercial banking activities in New York declared by either Federal or New York State authorities; or (iii) the declaration of a war directly involving the United States of America, or the occurrence of any other national or international calamity, or the outbreak or escalation of any conflict involving the armed forces of the United States of America, if the effect of any such event specified in this Section 6(g) in the judgment of the Representative makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus; and

(h) The Company shall have furnished or caused to be furnished to the Representative at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representative as to the accuracy of the representations and warranties of the Company herein at and as of the Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Time of Delivery, and as to the matters set forth in subsections (a) (the statement that no stop order has been "threatened" by the Commission may be qualified by the phrase "to the best of our knowledge," (e) and (f) (item (ii) may be qualified by the phrase "to the best of our knowledge") of this Section 6.

(i) The Designated Securities shall have been approved for listing on the stock exchanges, if any, specified in the Underwriting Agreement.

7. (a) The Company will indemnify each Underwriter and hold it harmless against any losses, claims, damages or liabilities, joint or several, to which any Underwriter may become subject, under the Act or otherwise, insofar as the losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue or allegedly untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by the Underwriter in connection with investigating or defending any such action or claims, promptly as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or allegedly untrue statement or omission or alleged omission made in any Preliminary Prospectus, the Registration Statement, the Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with Underwriter Information.

(b) Each Underwriter will indemnify the Company and hold it harmless against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as the losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or allegedly untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that said untrue statement or allegedly untrue statement or omission or alleged omission was made in any Preliminary Prospectus, the Registration Statement, the Prospectus or any amendment or supplement thereto, in reliance upon and in conformity with Underwriter Information; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) of this Section 7 of notice of the commencement of any action, the indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under said subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any indemnified party other than under said subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to the indemnified party, and, after notice from the indemnifying party to the indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to the indemnified party under said subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by the indemnified party, in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of its counsel shall be at the expense of the indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the contrary, (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to the indemnified party or (iii) the named parties in any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would, in the reasonable judgment of the indemnified party, be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceeding, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all indemnified parties, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for the Underwriters and control persons of Underwriters entitled to indemnification under subsection (e) of this Section 7 shall be designated in writing by the Representative and any such separate firm for the Company, its Trustees (directors) and officers and control persons, if any, of the Company shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold an indemnified party harmless under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of said losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which said loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to the amount paid or payable by the indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and Underwriters of the Designated Securities on the other in connection with the statements or omissions that resulted in said losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be

deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or allegedly untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by the indemnified party in with investigating or defending any such action or claim. connection Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that said Underwriter has otherwise been required to pay by reason of said untrue or allegedly untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of the fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint. The foregoing provisions regarding contribution shall apply except as otherwise required by applicable law.

(e) The obligations of the Company under this Section 7 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 7 shall be in addition to any liability that the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and Trustee (director) of the Company and to each person, if any, who controls the Company within the meaning of the Act.

8. If, at the Time of Delivery, any one or more of the Underwriters shall default in its obligation to purchase any of the Designated Securities, and the aggregate principal amount or aggregate number of shares (as the case may be) of the Designated Securities set forth opposite the name or names of the defaulting Underwriter or Underwriters in Schedule I to the Underwriting Agreement is not more than one-tenth of the aggregate principal amount or aggregate number of shares (as the case may be) of the Designated Securities, the other Underwriters shall be obligated severally in the proportions that the principal amount or number of shares (as the case may be) of Designated Securities set forth opposite their respective names in Schedule I to the Underwriting Agreement bears to the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities set forth opposite the names of all the non-defaulting Underwriters, or in such other proportions as the Underwriters may agree, to purchase the Designated Securities as to which the defaulting Underwriter or Underwriters so defaulted on that date; provided that in no event shall the principal amount or number of shares (as the case may be) of Designated Securities that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 8 by an amount in excess of one-ninth of the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities without the written consent of that Underwriter. If any Underwriter or Underwriters shall default in its or their obligation to purchase Designated Securities and the aggregate principal amount or aggregate number of shares (as the case may be) of

Designated Securities set forth opposite the name or names of the defaulting Underwriter or Underwriters in Schedule I to the Underwriting Agreement is more than one-tenth of the aggregate principal amount or aggregate number of shares (as the case may be) of Designated Securities, and arrangements satisfactory to the Underwriters and the Company for the purchase of said Designated Securities are not made within 36 hours after the default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Sections 5 and 7 hereof. In any such case, either the Underwriters or the Company shall have the right to postpone the Time of Delivery, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of said Underwriter under this Agreement.

9. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any control person of any Underwriter, or the Company, or any officer or Trustee (director) or control person of the Company, and shall survive delivery of and payment for the Designated Securities and any termination of this Agreement.

10. If any condition specified in Section 6 of this Agreement shall not have been fulfilled when and as required to be fulfilled thereunder, then this Agreement may be terminated by the Representative upon notice to the Company.

11. If this Agreement shall be terminated pursuant to Section 8 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities except as provided in Section 5 and Section 7 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters for all out-of-pocket expenses, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Designated Securities. Unless the cause for non-delivery shall be a matter within the reasonable control of the Company, the Company shall be under no further liability to any Underwriter with respect to the Designated Securities except as provided in this Section and in Section 5 and Section 7 hereof.

12. In all dealings under this Agreement, the Company shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representative.

13. All statements, requests, notices and agreements under this Agreement shall be in writing, or, if promptly confirmed in writing, by telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted, and if to the Underwriters shall be sufficient in all respects if delivered or sent by registered mail to the Representative at the address specified for the Representative in the Underwriting Agreement; and if to the Company shall be sufficient in all respects if delivered or sent by registered mail to the address of the Company set forth in the Registration Statement, Attention: Secretary.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 7 and 9 hereof, the officers and Directors of the Company and each person, if any, who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Designated Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

successor or assign by reason merely of such purchase. 15. Time shall be of the essence of this Agreement. As used herein the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. This Agreement shall be construed in accordance with the laws of the State of New York.

17. This Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument. Re: Securities Being Registered Under the Securities Act of 1933

Ladies and Gentlemen:

I am the Vice President - Legal Services of Consolidated Edison, Inc.'s ("Con Edison ") principal subsidiary, Consolidated Edison Company of New York, Inc. ("Con Edison of New York"), acting as counsel to Con Edison. I and other members of Con Edison of New York's Law Department have represented Con Edison in connection with the filing by Con Edison with the Securities and Exchange Commission of a Registration Statement on Form S-3 registering \$730,886,000 of Con Edison's unsecured debt securities, Preferred Shares (\$1.00 par value) and Common Shares (\$.10 par value) (the "Securities") for issuance from time to time pursuant to Rule 415 under the Securities Act of 1933 (the "Registration Statement").

I have examined such documents as I have deemed necessary for the purpose of this opinion, including (a) the Restated Certificate of Incorporation and the By-Laws of Con Edison; (b) the Indenture included as Exhibit 4.1 to the Registration Statement (the "Indenture") pursuant to which Securities that are debt securities are to be issued; and (c) minutes of meetings of the Board of Directors of Con Edison. It is my opinion that the Securities, if issued as debt securities, will be the legal, valid and binding obligations of Con Edison in accordance with their terms and, if issued as Preferred Shares or Common Shares will be legally issued, fully paid and non-assessable, upon:

- 1. the due authorization and execution of the Securities by Con Edison;
- 2. if the Securities are debt securities, the due authentication and delivery of the Securities in accordance with the Indenture; and
- 3. the receipt by Con Edison of payment for the Securities at the price and in accordance with the terms set forth in the Registration Statement and the supplement or supplements to the prospectus constituting a part thereof.

I consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to me under the caption "Legal Matters" in the prospectus constituting a part of the Registration Statement. However, in giving such consent, I do not thereby admit that I come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations thereunder.

Very truly yours,

/s/ Peter A. Irwin Peter A. Irwin We hereby consent to the incorporation by reference in this Registration Statement on Form S-3 of our report dated February 19, 2004 relating to the financial statements and financial statement schedules of Consolidated Edison, Inc., which appears in the combined Annual Report on Form 10-K of Consolidated Edison, Inc., Consolidated Edison Company of New York, Inc. and Orange and Rockland Utilities, Inc. for the year ended December 31, 2003. We also consent to the reference to us under the heading "Experts" in such Registration Statement.
