RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth Con Edison's ratio of earnings to fixed charges for the periods indicated:

Twelve Months Ended March 31, 1995	Year Ended December 31,				
	1994	1993	1992	1991	1990
4.59	4.58	4.19	3.93	3.73	4.07

The ratio of earnings to fixed charges has been computed based upon net income plus Federal income tax, Federal income tax deferred, investment tax credits deferred and fixed charges. Fixed charges include interest on long-term debt and other interest expense, amortization of debt expense, discount and premium, and the interest component of rentals.

DESCRIPTION OF DEBENTURES

General

The Debentures offered hereby will mature on July 1, 2005. The Debentures are not subject to redemption prior to maturity. See "Description of Securities" in the Prospectus for additional information concerning the Debentures and the Indenture under which they are to be issued.

Interest

The Debentures will bear interest at the rate per annum stated on the cover page of this Prospectus Supplement. Such interest will be payable semi-annually on January 1 and July 1 in each year, commencing January 1, 1996, to registered holders of Debentures at the close of business on the fifteenth day of the month preceding such interest payment date, except as otherwise provided in the Indenture.

Book-Entry System

This discussion of DTC and its book-entry system supplements the discussion of depositary arrangements in "Description of Securities - Global Securities" in the Prospectus.

DTC will act as securities depository for the Debentures. The Debentures will be issued in fully-registered form in the name of Cede & Co. (DTC's partnership nominee). One or more fully-registered Debenture certificates will be issued as Global Securities for the Debentures, in the aggregate principal amount of the Debentures, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and together with Direct Participants, "Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of Debentures under the DTC system must be made by or through Direct Participants, which will receive a credit for the Debentures on DTC's records. The ownership interest of each actual purchaser of Debentures ("Beneficial Owner") is in turn to be recorded on the Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Debentures are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Debentures, except in the event that use of the book-entry system for the Debentures is discontinued.

To facilitate subsequent transfers, all Debentures deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Debentures with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Debentures; DTC's records reflect only the identity of the Direct Participants to whose accounts such Debentures are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to Debentures. Under its usual procedures, DTC would mail an Omnibus Proxy to Con Edison as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Debentures are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Debentures will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or Con Edison, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of Con Edison, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners shall be the responsibility of Participants.

DTC may discontinue providing its services as securities depository with respect to the Debentures at any time by giving reasonable notice to Con Edison. Under such circumstances, in the event that a successor securities depository is not obtained, Debenture certificates are required to be printed and delivered.

Con Edison may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Debenture certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system is based upon information obtained from DTC, and neither Con Edison, the Underwriter nor the Trustee takes any responsibility for the accuracy thereof.

Neither Con Edison, the Trustee nor the Underwriter will have any responsibility or obligation to Participants, or the persons for whom they act as nominees, with respect to the

accuracy of the records of DTC, its nominee or any Participant with respect to any ownership interest in the Debentures, or payments to, or the providing of notice for, Participants or Beneficial Owners.

UNDERWRITING

Subject to the terms and conditions set forth in an underwriting agreement (the "Underwriting Agreement") between Con Edison and Merrill Lynch, Pierce, Fenner & Smith Incorporated (the "Underwriter"), Con Edison has agreed to sell to the Underwriter, and the Underwriter has agreed to purchase, the Debentures. In the Underwriting Agreement, the Underwriter has agreed, subject to the terms and conditions set forth herein, to purchase all of the Debentures if any are purchased.

The Underwriter has advised Con Edison that it proposes initially to offer the Debentures to the public at the Price to Public set forth on the cover page of this Prospectus Supplement, and to certain dealers at such price less a concession not in excess of .35% of the principal amount of the Debentures. The Underwriter may allow, and such dealers may reallow, a discount not in excess of .25% of the principal amount to certain brokers and other dealers. After the initial public offering, the public offering price, concession and discount may be changed.

The Debentures are a new issue of securities with no established trading market. Con Edison has been advised by the Underwriter that it intends to make a market in the Debentures but is not obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of the trading market for the Debentures. The Debentures will not be listed on any securities exchange.

Con Edison has agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

LEGAL MATTERS

The validity of the Debentures and certain other related legal matters will be passed upon for Con Edison by Edwin W. Scott, Esq., Acting Senior Vice President and General Counsel. Certain legal matters in connection with the Debentures will be passed upon for the Underwriter by Dewey Ballantine, 1301 Avenue of the Americas, New York, New York 10019-6092.

No dealer, salesperson or other individual has been authorized to give any information or to make any representations other than those contained or incorporated by reference in this Prospectus Supplement or the Prospectus in connection with the offer made by this Prospectus Supplement and the Prospectus and, if given or made, such information or representations must not be relied upon as having been authorized by Con Edison or the Underwriter. Neither the delivery of this Prospectus Supplement and the Prospectus nor any sale made hereunder and thereunder shall under any circumstance create an implication that there has been no change in the affairs of Con Edison since the date hereof. This Prospectus Supplement and the Prospectus do not constitute an offer or solicitation by anyone in any state in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make such offer or solicitation.

CON EDISON

Con Edison, incorporated in New York State in 1884, supplies electric service in all of New York City (except part of Queens), and in most of Westchester County, New York. It supplies gas in Manhattan, The Bronx and part of Queens and Westchester, and steam in part of Manhattan. Most governmental customers within Con Edison's electric service territory receive electric service through Con Edison's facilities from the New York Power Authority. Con Edison's principal office is located at 4 Irving Place, New York, New York 10003 (Telephone No.: (212) 460-4600).

USE OF PROCEEDS

Except as otherwise provided in the Prospectus Supplement, the net proceeds to be received by Con Edison from the sale of the Securities will be added to the general funds of Con Edison and will be used for general corporate purposes, including the repayment of short-term debt, if any, the retirement of other indebtedness, and the funding of construction expenditures.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth Con Edison's ratio of earnings to fixed charges for the periods indicated:

	Year Ended December 31,			
1992	1991	1990	1989	1988
3.93	3.73	4.07	4.46	4.67

The ratio of earnings to fixed charges has been computed based upon net income plus Federal income tax, Federal income tax deferred, investment tax credits deferred and fixed charges. Fixed charges include interest on long-term debt and other interest expense, amortization of debt expense, discount and premium, and the interest component of rentals.

DESCRIPTION OF SECURITIES

The Securities are to be issued under an Indenture ("Indenture"), dated as of December 1, 1990, between Con Edison and The Chase Manhattan Bank (National Association), as Trustee ("Trustee"), a copy of which is incorporated as an exhibit to the registration statement of which this Prospectus is a part. Con Edison may also enter into one or more additional indentures with other trustees with respect to certain of the Securities. Any such indenture would contain covenants and other provisions similar to those described below. Reference is made to the Prospectus Supplement regarding any additional indentures under which Offered Securities will be issued.

The Securities will be unsecured general obligations of Con Edison. Substantially all of the properties and franchises of Con Edison, including those hereafter acquired, other than expressly excepted property, are subject to the lien of Con Edison's Mortgage Trust Indenture, dated as of April 1, 1946, as amended and supplemented. The Mortgage Trust Indenture permits the issuance from time to time of an unlimited amount of First and Refunding Mortgage Bonds provided certain conditions, principally relating to asset and earnings coverage, are satisfied. The Securities will rank equally and ratably in right of payment with the unsecured promissory notes of Con Edison which have been issued as collateral for, and in consideration of the net proceeds of, a like amount of tax-exempt revenue bonds issued by New York State Energy Research and Development Authority. Con Edison may issue additional such notes from time to time in connection with the issuance of additional such tax-exempt bonds.

There is no requirement that future issues of debt securities of Con Edison be issued under the Indenture, and Con Edison will be free to employ other indentures or documentation, containing provisions different from those included in the Indenture or applicable to one or more issues of Securities, in connection with future issues of such other debt securities.

The Indenture does not specifically restrict the ability of Con Edison to engage in transactions which could have the effect of increasing the ratio of debt to equity capitalization of Con Edison or a successor corporation. For example, the Indenture does not limit the amount of indebtedness of Con Edison, the payment of dividends by Con Edison or the acquisition by Con Edison of any of its equity securities. The Indenture also permits Con Edison to merge or consolidate or to transfer its assets, subject to certain conditions (see "Consolidation, Merger and Sale" below). However, Con Edison must obtain approvals from state and/or federal regulatory bodies, to merge or consolidate or, with limited exceptions, to issue securities or transfer assets.

The following summary of the Indenture does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Indenture, including the definitions therein of certain terms.

General: The Indenture provides that the Offered Securities and other unsecured debt securities of the Company, without limitation as to aggregate principal amount (collectively the "Indenture Securities"), may be issued in one or more series, in each case as authorized from time to time by Con Edison.

One or more series of the Indenture Securities may be issued with the same or various maturities at par or at a discount. Offered Securities bearing no interest or interest at a rate which at the time of issuance is below the market rate ("Original Issue Discount Securities") will be sold at a discount (which may be substantial) below their stated principal amount. Federal income tax consequences and other special considerations applicable to any such Original Issue Discount Securities will be described in the Prospectus Supplement relating thereto.

Reference is made to the Prospectus Supplement relating to the Offered Securities for the following terms thereof:

- (1) the title of the Offered Securities;
- (2) the aggregate principal amount of the Offered Securities;
- (3) the percentage of the principal amount representing the price for which the Offered Securities shall be issued;
- (4) the date or dates on which the principal of, and premium, if any, on the Offered Securities shall be payable;
- (5) the rate or rates (which may be fixed or variable) at which the Offered Securities shall bear interest, if any, or the method by which such rate or rates shall be determined;
- (6) if the amount of payments of the principal of, premium, if any, or interest, if any, on the Offered Securities may be determined with reference to an index, formula or other method, the manner in which such amounts shall be determined;
- (7) the date or dates from which any such interest shall accrue, or the method by which such date or dates shall be determined, the dates on which any such interest shall be payable and any record dates therefor;
- (8) the place or places where the principal of, and premium, if any, and interest, if any, on the Offered Securities shall be payable;
- (9) the period or periods, if any, within which, the price or prices at which, and the terms and conditions upon which the Offered Securities may be redeemed, in whole or in part, at the option of Con Edison;
- (10) the obligation, if any, of Con Edison to redeem, purchase or repay the Offered Securities pursuant to any sinking fund or analogous provision or at the option of a holder thereof and the period or periods within which, the price or prices at which, and the terms and conditions upon which the Offered Securities shall be redeemed, purchased or repaid pursuant to such obligation;
- (11) whether the Offered Securities are to be issued in whole or in part in the form of one or more Global Securities and, if so, the identity of the Depositary for such Global Security or Global Securities;

- (12) if other than \$1,000 or an integral multiple thereof, the denominations in which the Offered Securities shall be issued;
- (13) if other than the principal amount thereof, the portion of the principal amount of the Offered Securities payable upon declaration of acceleration of the maturity of the Offered Securities;
- (14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 of the Indenture pertaining to the Offered Securities;
- (15) the provisions, if any, relating to the cancellation and satisfaction of the Indenture with respect to the Offered Securities prior to the maturity thereof pursuant to Section 12.02 of the Indenture (see "Satisfaction and Discharge of Indenture; Defeasance"); and
- (16) any other terms of the Offered Securities not inconsistent with the provisions of the Indenture and not adversely affecting the rights of any other series of Indenture Securities then outstanding. (Section 2.03)

Con Edison may authorize the issuance and provide for the terms of a series of Indenture Securities pursuant to a resolution of its Board of Trustees or any duly authorized committee thereof or pursuant to a supplemental indenture. The provisions of the Indenture described above permit Con Edison, in addition to issuing Indenture Securities with terms different from those of Indenture Securities previously issued, to "reopen" a previous issue of a series of Indenture Securities and to issue additional Indenture Securities of such series.

The Indenture Securities will be issued only in registered form without coupons and, unless otherwise provided with respect to a series of Indenture Securities, in denominations of \$1,000 and integral multiples thereof. (Section 2.02) Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities (see "Global Securities"). One or more Global Securities will be issued in a denomination or aggregate denominations equal to the aggregate principal amount of outstanding Indenture Securities of the series to be represented by such Global Security or Global Securities. (Section 2.01) No service charge will be made for any transfer or exchange of Indenture Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. (Section 2.05)

Global Securities: The Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, the Depositary identified in the Prospectus Supplement relating thereto. Unless and until it is exchanged in whole or in part for Indenture Securities in definitive form, a Global Security may not be transferred except as a whole by the Depositary for such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. (Sections 2.01 and 2.05)

The specific terms of the depositary arrangement with respect to any Indenture Securities of a series will be described in the Prospectus Supplement relating thereto. Con Edison anticipates that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Global Security, the Depositary for such Global Security will credit, on its book entry registration and transfer system, the respective principal amounts of the Indenture Securities represented by such Global Security to the accounts of institutions that have accounts with such Depositary ("participants"). The accounts to be credited shall be designated by the underwriters through which such Indenture Securities were sold. Ownership of beneficial interests in a Global Security will be limited to participants or persons that may hold interests through participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the Depositary for such Global Security or by participants or persons that hold through participants. The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to transfer beneficial interests in a Global Security.

So long as the Depositary for a Global Security, or its nominee, is the owner of such Global Security, such Depositary or such nominee, as the case may be, will be considered the sole owner or holder of the Indenture Securities represented by such Global Security for all purposes under the Indenture. Except as set forth below, owners of beneficial interests in a Global Security will not be entitled to have Indenture Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of Indenture Securities of such series in definitive form and will not be considered the owners or holders thereof under the Indenture.

Payments of principal of, premium, if any, and interest, if any, on Indenture Securities registered in the name of or held by a Depositary or its nominee will be made to the Depositary or its nominee, as the case may be, as the registered owner of the Global Security representing such Indenture Securities. None of Con Edison, the Trustee or any paying agent for such Indenture Securities will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in a Global Security for such Indenture Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Con Edison expects that the Depositary for Indenture Securities of a series, upon receipt of any payment of principal, premium, if any, or interest, if any, in respect of a Global Security will credit immediately participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of such Depositary. Con Edison also expects that payments by participants to owners of beneficial interests in such Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities registered in "street name," and will be the responsibility of such participants.

If a Depositary for Indenture Securities of a series is at any time unwilling or unable to continue as Depositary and a successor depositary is not appointed by Con Edison within 90 days, Con Edison will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing the Indenture Securities of such series. In addition, Con Edison may at any time and in its sole discretion determine not to have any Indenture Securities of a series represented by one or more Global Securities and, in such event, will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing such Indenture Securities. Further, if Con Edison so specifies with respect to the Indenture Securities of a series, each person specified by the Depositary of the Global Security representing Indenture Securities of such series may, on terms acceptable to Con Edison and the Depositary for such Global Security, receive Indenture Securities of the series

in definitive form. In any such instance, each person so specified by the Depositary of the Global Security will be entitled to physical delivery in definitive form of Indenture Securities of the series represented by such Global Security equal in principal amount to such person's beneficial interest in the Global Security.

Payments and Paying Agents: Payment of principal of and premium, if any, on Indenture Securities will be made against surrender of such Indenture Securities at the Con Edison Investor Services Center, 30 Flatbush Avenue, Brooklyn, New York 11217. Unless otherwise indicated in the Prospectus Supplement, payment of any installment of interest on Indenture Securities will be made to the person in whose name such Indenture Security is registered at the close of business on the record date for such interest. Unless otherwise indicated in the Prospectus Supplement, payments of such interest will be made at the Con Edison Investor Services Center, or by a check mailed to each holder of an Indenture Security at such holder's registered address.

All moneys paid by Con Edison to a paying agent for the payment of principal of, premium, if any, or interest, if any, on any Indenture Security that remain unclaimed at the end of two years after such principal, premium or interest shall have become due and payable will be repaid to Con Edison and the holder of such Indenture Security entitled to receive such payment will thereafter look only to Con Edison for payment thereof. (Section 12.05)

Consolidation, Merger and Sale: The Indenture permits Con Edison, without the consent of the holders of any of the Indenture Securities, to consolidate with or merge into any other corporation or sell, transfer or lease its assets as an entirety or substantially as an entirety to any person, provided that: (i) the Successor is a corporation organized under the laws of the United States of America or any state thereof; (ii) the Successor assumes Con Edison's obligations under the Indenture and the Indenture Securities; (iii) immediately after giving effect to the transaction, no Event of Default (see "Default and Certain Rights on Default") and no event that, after notice or lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and (iv) certain other conditions are met. (Section 11.02) The Indenture does not restrict the merger of another corporation into Con Edison.

Modification of the Indenture: The Indenture contains provisions permitting Con Edison and the Trustee, without the consent of the holders of the Indenture Securities, to establish, among other things, the form and terms of any series of Indenture Securities issuable thereunder by one or more supplemental indentures, and, with the consent of the holders of a majority in aggregate principal amount of the Indenture Securities of any series at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture with respect to Indenture Securities of such series, or modifying in any manner the rights of the holders of the Indenture Securities of such series; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity, or the earlier optional date of maturity, if any, of any Indenture Security of a particular series or reduce the principal amount thereof or the premium thereon, if any, or reduce the rate or extend the time of payment of interest thereon, or make the principal thereof or premium, if any, or interest thereon payable in any coin or currency other than that provided in the Indenture Security, without the consent of the holder of each Indenture Security so affected, or (ii) reduce the principal amount of Indenture Securities of any series, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all Indenture Securities of such series outstanding thereunder. (Sections 10.01 and 10.02)

Default and Certain Rights on Default: The Indenture provides that the Trustee or the holders of 25% or more in aggregate principal amount of Indenture Securities of a series outstanding thereunder may declare the principal of all Indenture Securities of such series to be due and payable immediately, if any Event of Default with respect to such series of Indenture Securities shall occur and be continuing. However, if all defaults with respect to Indenture Securities of such series (other than non-payment of accelerated principal) are cured, the holders of a majority in aggregate principal amount of the Indenture Securities of such series outstanding thereunder may waive the default and rescind the declaration and its consequences. Events of Default with respect to a series of Indenture Securities include (unless specifically deleted in the supplemental indenture or Board Resolution under which such series of Indenture Securities is issued, or modified in any such supplemental indenture):

(i) failure to pay interest when due on any Indenture Security of such series, continued for 30 days;

(ii) failure to pay principal or premium, if any, when due on any Indenture Security of such series;

(iii) failure to perform any other covenant of Con Edison in the Indenture or the Indenture Securities of such series (other than a covenant included in the Indenture or the Indenture Securities solely for the benefit of series of Indenture Securities other than such series), continued for 60 days after written notice from the Trustee or the holders of 25% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder;

(iv) certain events of bankruptcy, insolvency or reorganization; and

(v) any other Event of Default as may be specified for such series. (Section 6.01)

The Indenture provides that the holders of a majority in aggregate principal amount of the Indenture Securities of any series outstanding thereunder may, subject to certain exceptions, direct the time, method and place of conducting any proceeding for any remedy available to, or exercising any power or trust conferred upon, the Trustee with respect to Indenture Securities of such series and may on behalf of all holders of Indenture Securities of such series waive any past default and its consequences with respect to Indenture Securities of such series, except a default in the payment of the principal of or premium, if any, or interest on any of the Indenture Securities of such series. (Section 6.06)

Securityholders of any series may not institute any proceeding to enforce the Indenture unless the Trustee thereunder shall have refused or neglected to act for 60 days after a request and offer of satisfactory indemnity by the holders of 25% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder, but the right of any Securityholder of any series to enforce payment of principal of or premium, if any, or interest on his Indenture Securities when due shall not be impaired. (Section 6.04)

The Trustee is required to give the Securityholders of any series notice of defaults with respect to such series (Events of Default summarized above, exclusive of any grace period and irrespective of any requirement that notice of default be given) known to it within 90 days after the happening thereof, unless cured before the giving of such notice, but, except for defaults in payments of principal of, premium, if any, or interest on the Indenture Securities of such series, the Trustee may withhold notice if and so long as it determines in good faith that the withholding of such notice is in the interests of the Securityholders of such series. (Section 6.07)

Con Edison is required to deliver to the Trustee each year an Officers' Certificate stating whether such officers have obtained knowledge of any default by Con Edison in the performance of certain covenants and, if so, specifying the nature thereof. (Section 4.06)

Concerning the Trustee: The Indenture provides that the Trustee shall, prior to the occurrence of any Event of Default with respect to the Indenture Securities of any series and after the curing or waiving of all Events of Default with respect to such series which have occurred, perform only such duties as are specifically set forth in the Indenture. During the existence of any Event of Default with respect to the Indenture Securities of any series, the Trustee shall exercise such of the rights and powers vested in it under the Indenture with respect to such series and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. (Section 7.01)

The Trustee may acquire and hold Indenture Securities and, subject to certain conditions, otherwise deal with Con Edison as if it were not Trustee under the Indenture. (Section 7.04)

The Chase Manhattan Bank (National Association), which is the Trustee under the Indenture, participates in providing Con Edison's bank line of credit, and is a depository for funds and performs other services for, and transacts other banking business with, Con Edison in the normal course of business.

Satisfaction and Discharge of Indenture; Defeasance: The Indenture may be discharged upon payment of the principal of, premium, if any, and interest on all the Indenture Securities and all other sums due under the Indenture. In addition, the Indenture provides that if, at any time after the date of the Indenture, Con Edison, if so permitted with respect to Indenture Securities of a particular series, shall deposit with the Trustee, in trust for the benefit of the holders thereof, (i) funds sufficient to pay, or (ii) such amount of obligations issued or guaranteed by the United States of America as will, or will together with the income thereon without consideration of any reinvestment thereof, be sufficient to pay all sums due for principal of, premium, if any, and interest on the Indenture Securities of such series, as they shall become due from time to time, and certain other conditions are met, the Trustee shall cancel and satisfy the Indenture with respect to such series to the extent provided therein. (Sections 12.01 and 12.02) The Prospectus Supplement describing the Indenture Securities of such series will more fully describe the provisions, if any, relating to such cancellation and satisfaction of the Indenture with respect to such series.

Reports Furnished Securityholders: Con Edison will furnish the Securityholders copies of all annual financial reports distributed to its stockholders generally as soon as practicable after the mailing of such material to the stockholders. (Section 4.07)
